

2015-2016 CONCERT SEASON

Tuesday, September 15, 2015

Wood Room of the Hilbert Circle Theatre

Inspired by Nature

Nature has powerfully influenced the creative force in composers; Brahms' rustic Horn Trio originated with "a walk in the woods, interrupted by a sudden ray of Sunshine." John Cox (*principal hornist, Oregon Symphony*) and ISO Assoc. Concertmaster Phil Palermo will perform this work with Gregory Martin. Christoph N. Thompson's *Borchert Quintets*, Five Poems for Woodwind Quintet, will be premiered and the nature-inspired poetry of W. Borchert will be read by the composer. Nature photography will be on display.

for Violin, Double-Bass, Clarinet, Bassoon and Horn
